

Tools for **every stage** of the student journey.

Built from the expertise of **Campus Ivy, CourseKey, Verity IQ, and Trajecsyst**, Portico helps career-focused institutions recruit, retain, and place more students through a modular suite of software and services.

Why schools choose Portico

Schools use Portico to solve:

- ✓ Low student retention
- ✓ Manual, disconnected processes
- ✓ Compliance challenges
- ✓ Financial aid complexity
- ✓ Staffing shortages
- ✓ Reporting and visibility gaps
- ✓ Student engagement issues
- ✓ Recruiting inefficiencies

Real outcomes:

20–30x
enrollment growth
